Department of the Army

Note: Army National Guard projects generally share Federal and State funding and are very difficult to change once development begins.

Project ID	Building Name	Location (City, State)	Design Started (FY)	Percentage below ANSI/ASHRAE/IESNA Standard 90.1-2004 in terms of energy use	If not at least 30% below ANSI/ASHRAE/IESNA Standard 90.1-2004, will design achieve maximum level of energy efficiency that is life-cycle cost-effective?	Date Construction Completed (FY)	In terms of energy use, percentage below ANSI/ASHRAE/IESNA Standard 90.1-2004 achieved
	Army National Guard Readiness Center	Springville, Alabama
